

Privacy Policy

Your privacy is very important to us. In general, you can browse www.taproduce.com (the "Site") without telling us who you are or revealing any personal information about yourself. This Privacy Policy describes the information Tanimura & Antle Fresh Foods, Inc. ("Tanimura & Antle") collects from you and how we use that information.

What Information is collected and how it is used?

We may collect contact information such as name, mailing address, email address, phone number, and company name on our Site. We use this information to respond to your direct inquiry and to send you communications, electronically or otherwise, which may include newsletters, coupons and notices.

Links

The Site contain links to other websites. Please note that other websites' privacy policies may differ from those of Tanimura & Antle Fresh Foods, Inc. We encourage you to read the privacy statement of any website you may visit.

Cookies and Other Tracking Methods

Cookies are small pieces of information stored on your computer. We use cookies, which may include your IP address, to better understand how you use our Site and to help us tailor our Site or a marketing message to better match your needs and interests. You have the option of deciding whether or not to accept a cookie by resetting your browser to notify you whenever a cookie is being sent to your hard drive. You may also delete a cookie manually from your hard drive. Please note, however, that some parts of our Site may not function properly or may be considerably slower if you refuse to accept a cookie or choose to disable your cookies settings.

How to Access and Update User Information

Upon your request we will delete your name, e-mail and other contact information from our database. To make this request go to, <http://www.taproduce.com/contact.html> and write your request to delete your information in the Comments box. Your information will then be deleted as soon as reasonably possible after you send your request.

Notification of Changes

If we are going to use your personally identifiable information in a manner different from that stated at the time of collection through this Site, we will notify you via email. You will have a choice as to whether or not we use your information in this different manner. In addition, if we make any material changes in our privacy practices that do not affect user information already collected through our Site, we will post a prominent notice on our Site notifying users of the change.
